SUMMARY

Final-year Computer Engineering student with a strong foundation in full-stack web and mobile development. Builds secure, user-friendly applications using the MERN stack and Kotlin, with hands-on experience in AWS Cloud Foundations and Firebase integration. Proven ability to deliver technical solutions through projects involving AES encryption and start-up portal design during academic and internship roles.

SKILLS

- Languages: JavaScript, TypeScript, PHP, Python, Kotlin.
- Frameworks: Bootstrap, Tailwind CSS, React.js, Node.js, Express.js, React Native.
- Databases: MongoDB, MySQL.
- Cloud, DevOps & Tools: AWS, Git & GitHub, Postman, VS Code, Firebase.
- Other Skills: REST APIs, JWT Authentication, Redux, Context API.

PROJECTS

Community Connect: Local Helper([Live](#)) and Complaint System([Live](#)) ([Link](#)) ([Link](#))

This is my Final Year Project, a comprehensive MERN stack solution designed to address and solve real-world challenges within modern residential societies. I was responsible for the end-to-end development, specifically focusing on creating an intuitive frontend user experience and architecting the robust backend logic required to handle complex community workflows.

Chat Web Application ([Link](#))

Developed a secure web application utilizing PHP for backend logic and JavaScript to enable dynamic frontend interactions and real-time communication. Designed and managed a relational database using MySQL (via phpMyAdmin) to securely handle user data and messaging history. Implemented advanced cryptographic security measures, utilizing the AES algorithm for robust end-to-end data encryption and SHA hashing to secure sensitive user authentication data against unauthorized access.

EDUCATION

Shree L.R. Tiwari College of Engineering (Mumbai University)

2022 - 2026

- Bachelor of Engineering in Computer Science (CGPA: 7.94)

Divine Child High School and Junior College

2020 - 2022

- HSC in Science PCMB (68%)

St. Anthony's High School

2008 - 2020

- SSC (79%)

ADDITIONAL INFORMATION

- Other Skills: Creativity, Critical Thinking, Communication, Problem-solving, Quick learner.
- Languages: English, Hindi.
- Certifications: Python for Data Science (NPTEL), AWS Academy Cloud Foundations (AWS Academy), Full Stack Developer Bootcamp (GeeksforGeeks).
